Dear Mr. Jaffe:

Please, please! Forced molting of chickens is an obscenely cruel and hideous practice. Surely, even a chicken is a living, feeling creature that doesn't deserve to suffer so horribly from this inhumane and utterly unnecessary process. You would think this was a starving nation that lives or dies by that last laying cycle of a chicken! Come on, please help ban the forced molting of layer hens (docket 98P-0203/CP). Thank you.

Very Truly Yours,

Deborah Sorensen
